Subject: Chat with Dan COLLINS
From: Dan COLLINS <vermontaigne@gmail.com>

me: anyway, send me an e-mail if you get a chance - I'm writing an article on Protein Wisdom and wanted to get a quote from you if possible - aside from Jeff and Sdferr [sic?], you'll be the only one mentioned favorably. Let me know if you have any interest in talking to me about it.
me: hi, Dan. Got a moment?
Dan: How are you?
Dan: Gosh, all we adjuncts got laid off. I'm doing research for The B-Cast.
me: great, thanks. How goes the teaching?
Dan: Yeah, I'll email you.
Dan: Thank, Barrett. Didn't see you there.
Dan: All right. Night, then.
me: Thanks again, talk to you soon
Dan: Sure. Whenever's convenient.
me: I'll probably e-mail you tomorrow with a couple of questions
Dan: That all sounds very positive.
me: very well, finishing my second book, writing for Vanity Fair and a few other pubs, started a civil rights advocacy organization in Bushwick to deal with illegal police searches, plus I can ride my bike real fast
